SPEED LIMITS TO BE INCREASED,

Council met for one hour Tuesday evening of last week to finish off business left when its regular meeting adjourned at 9:00 p.m., the night before. It was erroneously reported in last week's Gazette that Councillor deBruijn had missed three consecutive meetings, which would have disqualified him. By adjourning till the next evening, Council thus enabled Mr. deBruijn to still attend the latter portion of the meeting. Saved by the bell!!! Because of business reasons Mr. deBruijn asked to be relieved of his duties as Chairman of the Finance Committee. Mr. deBruijn said he felt that another member of Council could do better justice

to this position. Councillor Bob Parkes was named Finance Committee chairman until Oct., 19th. After the civic election a new chairman will be appointed.

SPEED LIMITS:

Councillor deBruijn's motion that the maximum speed inside the town limits be increased from 25 m.p.h. to 30 m.p.h. was carried. Mr. DeBruijn commented that a speed limit of 25 m.p.h. on a road like Ball Avenue, was "absolutely ridiculous." In speaking against the motion Councillor Donais said: "I have watched people rip up and down the service roads. I believe 30 m.p.h. is just a little bit too fast." Councillor Gibbon moved that the Dep., of Highways be asked to increase the speed limit from 137 Avenue to the St. Albert cemetery from 40 to 50 m.p.h., subject to lighting of the highway. Councillor Donais, who opposed this motion, commented: "I find this 40 m.p.h., no hardship, this is a very bad stretch of road. Add another 10 m.p.h., and there will be some more dead people

around," Mr. Donais added: "As a matter of conscience I have to be against this motion." Mr. deBruijn also moved that the speed limits on Highway No. 2 through Town be increased from 35 m.p.h., to 40 m.p.h. All speedsters are warned to "go slow" until these changes go into effect!

SWIMMING POOL:

Councillor Gibbon's motion that the swimming pool bids be rejected was termed a "Bombshell" by Mayor Fowler. The matter was referred to the Pool Committee for report Mr. deBruijn admitted: "We made an error when we opened the tenders". The two bids which were opened were both more than \$10,000 over the allotted amount.

RECREATION DIRECTOR:

In reply to Councillor Bakker's question if the Town's advertisements for a Recreation Director had met with any results, Mr. Wheatling stated that 2 applications had been received. "I would not care to recommend either of these people," he added.

MAYOR'S COLUMN

September 21/66.

The initial mailing of Home Owner Grants will be made this week. One hundred and seventy five resident home owners will receive cheques for \$50.00 in the first mailing, and subsequent mailings will be made as the returns are received from the Provincial Govt.

I learned that our neighboring, benevolent So-Cred Government gave a Home Owner Grant of \$110.00. Isn't it wonderful to be a resident in a "debt free" province? Mind you, almost every municipality is into it to their ears but our Senior Government doesn't owe a nickel. A ten mill reduction in the School Foundation Programme would have meant an average \$66.00 tax reduction to every home owner and would also have meant a corresponding reduction in taxes on all property. Let's be politically realistic though it wouldn't have garnered near as many votes. In any event --- have a ball with your fifty bucks. It's rightfully yours and you owe no thanks to anyone.

Fire Chief Fred Tetarenko and our Volunteer Fire Fighting Group have done it again. In the last competition the St. Albert Fire Dept., won first prize in their class for the province and an Honorable Mention for all Canada. Tomorrow night at the fire hall the Provinces Chief Fire Commissioner will make the presentation to the Town. Congratulations Chief, and to all members of your department.

I recall a statement from one of the speakers at the last banquet I attended at your invitation. "I know of no other group of men who are prepared to possible risk their lives every time they answer the fire alarm as volunteers". As the award indicates - there is little doubt that we have the best Fire Department in the Province (in relation to our population) and one of the best in Canada.

The next time any residents are travelling throughout the Country and you are visiting or travelling through towns or cities which are our size or larger take a look around you and see what is provided for services. Are all the residential streets paved? Are curbs and landscaped boulevards provided? Are sidewalks provided? What about storm sewers? I have recently returned from a short stay in Ontario and believe me - there wasn't a community outside the City of Toronto that is as well serviced as St. Albert notwithstanding the fact that they all had industry galore.

CHAMBER OF COMMERCE MEETING September 13th, 66. Hennie Stibbe.

CHAMBER TO SPONSOR NEW YEARS BALL:

The St. Albert and District Chamber of Commerce held its first regular meeting of the season at which its executive was conspicuous by its absence. President Jim Byrne expressed disappointment at the poor turn out.

The Chamber will once again sponsor an Election Rally. Mr. Byrne explained that the Chamber pays for the hall, provides and serves coffee. To Bob Russell's

Will Sponsor Rally and New Years Ball

said. Speaking for the motion, Bob Russell said: "We as businessmen should go out and support this. We are not going to get a complex right away, but we do need facilities." Mr. Russell added: "As responsible parents we should not let our kids wait for 10 years."

The Chamber of Commerce will sponsor a semi-formal New Year's Eve Ball in conjunction with the Centennial Committee. Roy Gilley of the Centennial Committee addressed the meeting. Mr. Gilley commented that he was pleased that the businessmen of his Town saw fit to promote

this Ball, "I am sure if anyone can put this over, you can", Mr. Gilley said. He added: "I am sure the Ball will be the social highlight of the year". Jim Byrne estimated the tickets would probably sell for \$1.20 per couple. The Chamber has contracted for 270 people. "I think we will be over subscribed," Mr. Byrne added.

Speaking on Centennialism, Mr. Gilley told those present "you as businessmen, it is your duty to promote Centennial." Let's not worry about what some other Town is doing, let's worry about what St. Albert is doing," he said.

New St. Albert Lutheran Church to be Used

The long awaited moment has come! St. Albert Evangelical Lutheran Church, on the hill, 11 Grandin Place, across from the Town Hall, is now almost completed, and is to hold its first Service this Sunday September 25th, at 11:00 a.m.

The Rev. Curtis Satre, Regional Director of Canadian Missions of the American Lutheran Church is to be speaker. He is under the Board of Canadian Missions of the

American Lutheran Church that he serves, and under whose auspices the work here at St. Albert has been made possible. There will also be Adult Confirmation as well as a number of Baptisms at this our First Service!

St. Albert Evangelical Lutheran Church has a history that dates back to 1956, when the Evangelical Lutheran Church of Canada, through the Canadian Lutheran Council, made application to begin a Lutheran Church in St. Albert. The Canadian Lutheran Council is made up of the three major bodies of Lutheranism in Canada, constituted by: The Lutheran Church (Missouri Synod); The Lutheran Church of America; and the Lutheran Church under which our congregation is formed and will now operate namely, The Evangelical Lutheran Church of Canada.

Through the Division of Canadian Missions, the Evangelical Lutheran Church of Canada, made application for and was granted permission to begin a New Mission Congregation in St. Albert and Area. As such property was purchased in 1957, our present site,

11 Grandin Place, across from the St. Albert Town Hall.

We wish to thank the Town of St. Albert for the fine way in which they have welcomed and anticipated this work of our Church here. Mayor Dick Fowler and the Town Council and the various leaders in Town Hall who have from the start evidenced such a fine spirit of concern and co-operation; the Architectural Firm Dennis and Freda O'Connor and Maliby, who we believe, have provided us with an exceptionally fine Church Edifice; our Contractor, The Dornwood Construction Firm and their crew of workers who have always shown such a fine spirit throughout the period of construction; the excellent news coverage we have had through the St. Albert Gazette, Edmonton Journal, Etc., and the ministerial groups of Edmonton and St. Albert for their interest and encouragements.

Thank you one and all for being a part of this great venture for God in St. Albert!

Opening Service, Sunday Sept., 25th, at 11:00 a.m.

Jodie Ann Smith, daughter of Mr. & Mrs. Charles R. F. Smith was baptized last Sunday, by Father C. Levangie, O.M.I. Sponsors were Miss Wilma Nickel and Wayne Smith.

There will be a meeting of the parents of kindergarten children, next Sunday, September 25th, in the parish hall at 8:30 p.m.

The first meeting of the Scouts is Monday September 26th, at 7:00 p.m. in the church hall.

Most of her religious life was spent in the far North where she devoted herself to missionary work. Her last few years were spent among the people of the Youville Home. Funeral services were held here in St. Albert last Saturday.

Armand Donais - President.

The past two weeks has already seen considerable activity around the local curling rink. The Club is anticipating another banner year for all "besom and stone" addicts, and to that end is pressing ahead to have the rink opened earlier than in previous years.

Target date for opening is Oct. 10th, and it is hoped if this deadline can be realized, the Club, in co-operation with the St. Albert Parks and Recreation Dept plan on running a school for all new aspirants of the roaring game, as well as for those who wish to brush up on the finer points. The instructors will be headed up by Hector Gervais and Wally Ursuliak and the course will comprise of three condensed lessons of one and one quarter hours duration each, held in the evenings from Oct. 10th, to 15th. A nominal charge of \$4.00 for the course will be made, which amount will go to cover ice fees and lights, the time put in by the instructors to be on a voluntary basis.

Thanks to the kindness of the Ladies Curling League, new ceiling tile has been installed in the rink waiting room, the ladies rest

Ladies Curling

The general meeting of the St. Albert Ladies Curling Club will be held October 4, 1966, 8:00 p.m., at the curling club.

A new executive was elected to end last years activities. The executive headed by president Jacques Malinowski is anticipating a very successful year again for the coming season.

The leagues will curl on the same days as last season, evening curling on Wednesday at 7:00 p.m., 20 games \$22.75 and two afternoon leagues operating on a twice weekly schedule - 40 games \$24.25 as well as a once weekly schedule - 20 games \$15.25. Any ladies wishing to join any of these three leagues may contact Jacques Malinowski at 599-6852 or Doreen Woldnik at 599-8726.

Last year's league leaders will be back to provide exceptional competition and teams skipped by Betty Anderson and Rita Borie will again prove to be a handful

This year the curling club has organized a curling school open to all curlers or prospective curlers. Instructions on all phases of the game will be provided by a host of top men curlers including such experts as Hector Gervais, Wally Ursuliak and a group of local curlers who are well qualified. All you girls (or fellows) who want to develop that graceful slide, hit the broom more often or learn what shots to call should consider this school. A very nominal fee will be charged and all lessons will be given in a one week period around October 15, 1966.

Please watch the Gazette for further details.

room has been completely renovated, the curling ice dividers and all the walks have received a generous amount of fresh paint, brightening the entire premises considerably.

The Curling Club has been successful in obtaining free of charge, 32 new sets of curling stones from the famous Ailsa Craig Company in Scotland on a temporary loan basis

and the other 64 sets have been matched and sharpened, resulting in the local rink having the finest stones available.

Mens' regular club curling should be underway by October 17th. The ladies are planning their first games on October 19th, and the mixed will be on its way by October 22nd.

A General Meeting is being planned for October 9th, watch for an official announcement in next week's Gazette -- with further

information on the curling school to be circulated along with application forms in your September 28th Gazette.

A Bank Moves...

Photo's by Jeet Khullar - Morinville

It was a very long and busy day for the employees of the Royal Bank of Canada in Morinville. Last Friday they worked till 6 p.m., as on all Fridays. And then they had to move into their new Bank building. Beautiful and delicate looking Secretaries and cashiers had to carry heavy loads of files and records across the street, to the new building, while Harry White, the bank manager, held the door open for them.

Mr. Harry White, the very popular manager of the Royal Bank in Morinville, looks expectantly for new and old customers in front of the new and modern building of the Royal Bank in Morinville, while Cam Dubord, the town policeman, threateningly warns the undesirable element to stay away and out.

The old and the new buildings of the Royal Bank in Morinville stand against each other across the street. The old holds the head high with pride of years of service. The new is young, beautiful and exquisite, but humble.

Multilateral Talented Teacher

Canoe Classes

We met him on the bank of the Sturgeon River, where he was teaching a class in the "Know How's" of the canoe sport. "Very unusual" we said for a P.T. teacher to have his class on the river. "Why" he replied, "I am teaching them how to handle a canoe, not only because this is a healthy sport, but I hope that my lessons will encourage them to continue this beautiful sport after they have left school." We learn so many things that we never will use in our life". A remarkable man this Mr. Bill Zuk, the new P.T. teacher at the Paul Kane High School.

Born in Vegreville he went after his University Studies in 1962 to the North where he was employed by the Dept. of Northern Affairs as community teacher among the Eskimo's. From 1963-65 he was principal of Igloodik Federal Day School, 2, 6000 miles N. E. of Montreal. During his 3 years in the Arctic he studied the way of life of the Eskimo's was active in Northern Scouting and collected under the direction of the National Museum of Canada, artifacts from the Igloodik Area, being deeply impressed by the Eskimo archaeology dating back to 2,000 B.C. Here he found the real soap stone carvings which satisfied his great love for arts and crafts tremendously.

But Bill did many many things more! He also developed curriculum in physical education for arctic schools under auspices of the Dept. of Northern Affairs. Currently he is working on film-strips and an illustrated book of the history of games as they relate to the Eskimo people and Indian people. But this is not the end of the story. Bill was also an examiner for the Royal Life

Saving Society in water safety, he was examiner with the Red Cross, coach of a competitive swimming team, instructor for the School of Deaf in life saving, waterfront supervisor at Skelton Lake in Scouting etc., - etc.

He now teaches at the Paul Kane High School, art 9 and 10, physical education to 9 and 10 boys' P.T., 20 to boys' and P.T. 30 to boys' and girls'. His objectives are clear, and to the point without any misunderstanding as he pointed this out to us as follows: PHYSICAL EDUCATION 30 OBJECTIVES:

1. To conduct a survey of the history of games with emphasis on the Canadian scene.
2. To encourage a wide range of activities leading to a greater choice of selection for leisure time activities.
3. To develop skills in officiating and particularly as leaders.
4. Provide a knowledge in areas such as the treatment of injuries, safety in physical education programs, circuit training, isometrics.
5. To provide activities which have appeal at the co-educational level.

His physical education programme includes many new things. For instance, water safety and canoe-manship, woodcraft instruction, golf skills, outside agency such as the St. John's Ambulance, treatment of athletic injuries, Indian & Eskimo games, arrangements with Air Force Survival School to provide instruction in survival techniques, winter camping judo for girls, wrestling for boys, swimming basic instruction (Red Cross), rifle handling, gun safety, target shooting, water safety, skills in water safety, fly casting and a study of local fauna

as it relates to woodcraft and survival.

Why haven't we had such a teacher in the past, or was this our first thought when we saw this programme?

A physical Education Teacher with a very strong feeling and love of all the beauty that God has given us, has entered our Com-

munity. We hope that Bill will enjoy his work in St. Albert and that he will stay with us for many many years.

And last but not least, with Bill we have a man who could be a tremendous help in an advisory capacity to the overall recreational activities in our town. Good and healthy use of leisure time,

Water Safety and Canoe-manship for St. Albert High School Students on the Sturgeon River.

Instructor Bill Zuk follows the class from the bank of the river.

Wonderful Help

The Edmonton Aphasie School, at 9909-109th Street, now has a stereo record player. This is a very necessary piece of equipment and will be in constant use at the school.

It seems that Mrs. Gladys Smith and Mrs. Alma Hughes, Directors of the St. Albert School of Dancing, heard of the need; staged a Dance

Review recently; used the proceeds to buy a record player and very generously, donated it to the school.

The Edmonton Aphasie School is an Easter Seals Service and was pioneered by Mrs. Abe Unger, President of the Edmonton Aphasie Association and now Director of the School.

The record player is used in the gymnasium where physical education is given to help develop the gross motor skills and to improve co-ordination. This is a very important part of the program and considered essential to successful learning.

The E.A.A. would like to thank the pupils and directors of the St. Albert School of Dancing for this thoughtful gesture and assure them that their gift is greatly appreciated.

1966 Christmas Stamp

October 12th, 1966, has been chosen as the release date for commemorative postage stamps in two denominations to mark the Christmas Season, Canada's Postmaster General Jean-Pierre Côté announced today.

The projected releases will mark the third consecutive year in which the Canada Post Office has issued specially-designed stamps for Christmas. Again available in the 3¢ and 5¢ values, the 1966 issues were designed by Geoffrey Holloway, of Arnott Rogers Batten Limited of Montreal. Mr. Côté stated,

They feature a reproduction of a centuries old drawing "Betente Hands", or "Praying Hands", originally executed by the great German Renaissance painter, engraver, woodcut and decorative designer Albrecht Durer, who lived from 1471 to 1528.

Depicting an appropriate theme for the Christmas festive season the drawing is poignant representation of work-worn hands of a humble and devoted man offering thanks for blessings received.

The two stamps, the same design and small in size, will also include the Christmas Star, together with the words "Noel", "Christmas" and "Canada".

The 5¢ denomination is produced in orange, the 3¢ value in rose. They were engraved by the Canadian Bank Note Company, Ottawa. The Canada Post Office expects to produce and sell more than 320 million Christmas stamps this year.
